

SHORT INSTRUCTIONS GUIDE FOR SUBSCRIPTIONS

- **Managing the subscriptions is NOT possible from the smartphone application.**

You must use a web-browser and login to :

- the Belrobotics portal (<https://myrobot.belrobotics.com/login>)
- or the Echorobotics portal (<https://myrobot.echorobotics.com/login>).

It is strongly advised to use a large size display equipment (Personal Computer or Tablet).

- Then in the main menu button, select submenu “My Subscriptions”.
- Select “Category” = “To Subscribe” to see the list of products for which a subscription is due.
- You can choose :
 - LifeTime Subscription () : you pay once and the subscription of the product will be covered forever
 - Yearly Subscription () : you only pay for this period (typically calendar year) and you will have to pay again for future periods
- Proceed to “Checkout” of the Shopping basket when you have added all products for which you want to subscribe.
- “OFFLINE” mode :
 - When the subscription fee is not paid, the product will be switched to “Offline” mode.
 - At any time, you can reactivate immediately the subscription by going on the portal subscriptions page, select “Category”=“Offline”, select you subscription and proceed to Shopping basket checkout
 - In “Offline” mode, remote control and remote management (from the portal or from the smartphone application) are strongly limited : not possible to send remote commands, not possible to receive notifications from the robot, not possible to change remotely the robots configuration settings, less information on robot performances visible on the portal,...
- If you still have questions or problems :
 - Read the detailed documentation on : [Subscriptions Documentation](#) website.
 - Contact your dealer
 - You can also write an e-mail to : subscriptions@yamabiko.eu – indicate in your email the serial number of the robot or base and your entity.
